

ADDENDUM NO. 2

CONFEDERATED TRIBES OF THE CHEHALIS RESERVATION ANDERSON ROAD RESTORATION

DATE: MAY 11, 2026

This addendum is issued for the purpose of clarification and/or revisions to the Project Manual, Drawings, and related Contract Documents. Receipt of addendum shall be noted on the Bid Form. The General Contractor and Subcontractors shall review each item of the addendum and provide the coordination, accessories, hook-ups, and other work necessary to have a complete and properly functioning installation of each addendum item. General Contractor and Subcontractors shall include in their bids all labor, materials, supervision, management, tools and equipment, incidental field design, goods and services and necessary incidentals for a complete and properly functioning installation of each addendum item.

PROJECT MANUAL:

1. **REPLACE:** Form A: Bid Proposal/Schedule of Values page RFP-16 with revised Bid Proposal/Schedule of Values, Attachment 1.

CLARIFICATION QUESTIONS:

1. Question: Is a vault required where the PUD bore ties-in to the JUT? None is shown.
Answer: No, bidder shall only include bid for vaults as shown on plans.
2. Question: Will the PUD identified bore location include installation of Schedule 40 conduits and pull strings?
Answer: No work is to be done by the bidder in sections of PUD identified boring.
3. Question: Bid Form includes line item for illumination system, but no illumination work is shown on the plans, please clarify.
Answer: Illumination system is not part of this project and has been removed from the revised bid form as part of this addendum.

There are **2 Pages** to this addendum, including all attachments.
