

# **CONFEDERATED TRIBES of the CHEHALIS RESERVATION**

## **ADDENDUM 1**

**to**

### **West Ash Street Improvement project**

**May 3<sup>rd</sup>, 2023**

---

- Item 1**, This job is with Tribal dollars and will not require this to be a prevailing wage project
- Item 2**, On C02 of Ash Street plans, power pole to be relocated has been completed and is not part of this bid
- Item 3**, on C04 of Ash Street plans, plans state to install a new streetlight, this has been completed already and is not part of this bid.
- Item 4**, on page 6 of contract documents and specs, No2 was marked n/A and should not have been. This was a mistake. Also, the reason for the two bid forms is because these were initially two projects and are now under one project for completion.
