

When: Friday, April 26th, 2019 at 11am (Lunch & Program)

Where: Fireside Kitchen Buffet at Lucky Eagle Casino

What: Trends in Opioid Misuse and Abuse

**Who: Open to tribal staff and community members but must RSVP , seating limited. RSVP**

**TO: Iniccolocci@chehalistribe.org by 4/23/19 , seating is limited.**

**Rates of prescription opioid medication misuse remain high but have leveled in comparison to a sharp increase in the use of heroin. This program is intended to illustrate recent trends in both prescription and illicit opioid use, as well as discuss pharmacology and physical effects. Consequences to public health continue to emerge and require approaches to mitigate the risks associated with opioid misuse, abuse, and addiction.**

Kelly L. Olson, PhD will present on this topic.

Kelly Olson is the Associate Director of Clinical Affairs at Millennium Health.

She is an experienced researcher in molecular neuro-pharmacology, as well as in clinical biology in the areas of mental illness, sleep, adrenal fatigue, and addictions. Dr. Olson has authored/co-authored a number of peer-reviewed articles, book chapters, and presentations, and has lectured extensively internationally, nationally, and locally. Dr. Olson has spent the majority of the past 9 years in integrative medicine, helping to improve patient clinical outcomes. She received her Masters of Science in exercise

physiology from the University of North Dakota, and her PhD in pharmacology & therapeutics from the University of Manitoba.
