JOB OPENINGS

The Chehalis Tribal Enterprises team is currently looking for candidates to fill the positions of:

**QA/QC MANAGER**

The main role of the QA/QC Manager is to provide leadership in the quantitative and sensory analysis of all beer/spirits produced at the brewery/distillery. This person is responsible for the management and development of the Talking Cedars QNQC function. 4 year degree in Microbiology, Chemistry, Fermentation Sciences, Food Sciences or a related field. 5+ years in a similar or related field (i.e. QA/QC Management experience in a production brewery/distillery)

**LEAD BREWER**

The Lead Brewer is ultimately responsible for the successful implementation and daily function of the brewery, cellar, and packaging operations as dictated by the assigned production schedule and operational mandates. 4 year degree in Microbiology, Chemistry, Fermentation Sciences, Food Sciences or a related field. 2+ years’ experience in a similar or related field. (i.e. Management experience in a production brewery or food manufacturing facility)

**ASSISTANT BREWER**

Assistant Brewers provide Brew house support, are utilized as shift brewers, and will also work in the cellaring department as needed. To add to their knowledge base they will receive basic training in the Lab department. The focus of this position will be the operation and upkeep of any and all brewing equipment, as well as maintaining quality control throughout all aspects of the Brewing and cellaring process. Assistant Brewers will be responsible for receiving and processing raw materials, gathering and weighing out hops and malt, and otherwise staging brewing ingredients to keep production running smooth and all beers at optimal quality level. 2 yr Associates degree in Microbiology, Chemistry, Fermentation Sciences, Food Sciences or a related field. 1+ yrs in a similar or related field (i.e. working in some type of production facility).

**BREWERY COST ACCOUNTING MANAGER –**

Job Summary: You are the full charge accountant of our new brewery and distillery enterprise, including production costs and inventory control. You are an energetic and highly motivated professional joining our new Talking Cedar team—the innovative craft beverage destination in the Pacific NW. You coordinate with our whole team; and support management through accurate and timely financial reporting. This is a unique opportunity to apply your experience and knowledge of cost accounting as well as the full accounting cycle. Accounting degree, CMA preferred. Orchestrated Beer Software experience preferred. 4+ years cost accounting experience. Compensation DOQ. Excellent benefits.
