

Need Diapers?

Diapers are NOT CHEAP

Often times, those in low income families face high costs and limited supplies of this essential need.

1 in 3 Mothers in the United states struggle with diaper scarcity.

Diapers are necessary

When supplies are low or absent, it can add to the challenges of maintaining consistent childcare and steady employment.

SPIPA is excited to be able to provide Diaper Distribution services to eligible Consortium Tribal Members

The Diaper Distribution on Reservations Project works with other SPIPA Programs to deliver diapering needs to eligible families with children age 0-18 residing in the SPIPA service area.
