

Call for Artists Proposals

For our upcoming Water Towers Project

The Chehalis Tribe seeks proposals for commissioned Native artwork for the two water towers from Chehalis Tribal Members only.

Designs should have;

- ⇒ a graphic approach,
- ⇒ No blending due to industrial paints not being able to blend
- ⇒ The design should be simple with larger shapes so it is readable
- ⇒ Limit to 8-10 colors max
- ⇒ Each Water Tank to have a specific or cohesive design
- ⇒ Identify the design for Tank A and for Tank B

To see other tanks and their designs please refer to the painters website

<https://www.artistbrothers.com/water-tank-murals>

The artist or artists selected will work with Artists Brothers to incorporate their design/s and have painted by Artists Brothers on our water towers.

The towers are each 100 feet in height , the smaller tower has a diameter of 14' (tank A) and the larger tower has a diameter of 35' (tank B)

There is multiple viewpoints to the water towers so this must be kept in mind while design the art

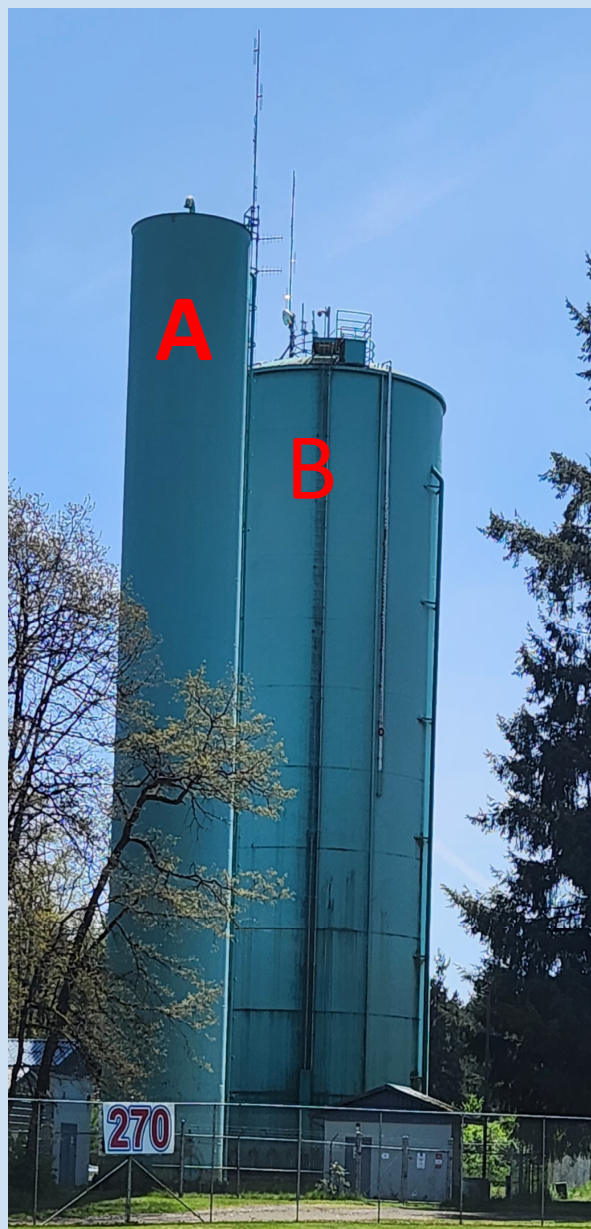

To apply please submit the following:

- One to two page proposal describing the design concept including dimensions and colors for each tank
- Artist fee for the artwork including time, materials and supplies
- Portfolio that includes at least 3-5 examples of previous work by the artist

Submission deadline for proposals due: June 9th, 2023

Selected artists will enter into a contract with the Chehalis Tribe. Final artwork must be completed by **June 23rd, 2023**. Final artwork will be owned by the Chehalis Tribe. Contact for proposals and/or questions: Brian von Clück, Planning Utilities coordinator (360) 709-1862 or bvoncluck@chehalistribe.org
