

We would like to say

*THANK YOU*

to the Chehalis Tribal Community for your  
support in the Rolfe Family BBQ  
fundraiser. We raised over \$3K!

The 50 / 50 raffle is up to \$640.00 and it's still growing. We  
are also raffling a \$300 family pack gifted by Grizzly and a  
cedar hat gifted by John Youckton.

The drawing will be on July 3rd at 1pm.

You may participate by stopping at the Finance Department.

Tickets are \$5 each or you can purchase 5 tickets for \$20.

The Rolfe Family is currently at Harborview Hospital. They are raising funds to  
help Kody get the medical care he needs at a hospital in Chicago that  
specializes in his condition. Medical insurance does not cover most of the  
costs related to the 3–6-month rehabilitation stay and air ambulance  
transport home.
