NOTICE OF PARTIAL BURN BAN

Chehalis Reservation – Effective 12:00 PM July 9, 2025; Due to the recent trend of hot and dry weather, the Chehalis Tribal Department of Natural Resources in consultation with the Department of Public Safety have enacted a Partial Burn Ban starting at 12:00 PM Wednesday, July 9, 2025. This ban prohibits outdoor burning within Chehalis Reservation of the following items, until further notice:

Fireworks

Yard Waste

Land Clearing

The use of propane grills, charcoal briquettes and recreational campfires is allowed if built in improved barbeques and fire pits. Campfires must be attended at all times by a responsible person (at least 16-years old) with the ability to extinguish the fire. You should have a shovel and a 5-gallon bucket of water, or a charged water hose readily available. Completely extinguish campfires by pouring water or moist soil in them and stirring with a shovel until all parts are cool to the touch.

We will be monitoring conditions and if the fire risk increases, we will make further announcements.

Please do your part to protect your community from wildfires!
