DEPARTMENT	JOB TITLE	CLOSING DATE
<b>Confederated Construction Company</b>	<b>General Manager</b> CCC is seeking an experienced General Manager to lead its Civil Construction and Communications divisions. This role oversees project planning, budgeting, contracts, equipment, and staff to ensure projects are delivered safely on time, and to the highest standards. The ideal candidate has 10+ years of civil construction experience, 5+ years in senior management, and strong leadership, communication, and organizational skills. A bachelor's degree in construction management, Civil Engineering, or related field is preferred. Proficiency in Microsoft Office and construction management software required. Valid WA State Driver's License and proof of liability insurance needed.	<b>Open Until Filled</b>
<b>Confederated Construction Company</b>	<b>Directional Drill Locator II</b> This role is responsible for safely operating directional drill locators, backhoes, excavators, and related heavy/light equipment in a construction environment. Duties include site preparation, trenching, vault and pedestal placement, equipment maintenance, and safe work practices at all times. The ideal candidate will have at least 1 year of directional drill locating experience, a strong work ethic, knowledge of equipment operation and maintenance, and the ability to read and interpret construction drawings. A valid WA State Driver's License is required (CDL preferred).	<b>Open Until Filled</b>
<b>Confederated Construction Company</b>	<b>Estimator/Project Manager</b> A strong background in residential, commercial, federal, and public works construction. This role is responsible for preparing cost estimates, managing bids, coordinating with vendors and subcontractors, and overseeing project planning, scheduling, budgeting, and execution to ensure projects are delivered safely on time, and within budget. Associate degree preferred; 5-10 years of construction experience with 2-5 years in estimation and/or project management. Civil project experience (infrastructure/utilities) required. Proficiency in estimation software (Bluebeam, CostX), project management tools (MS Project, Primavera), and design software (AutoCAD, Revit) is expected, with familiarity in BIM processes. Strong leadership, communication, and problem-solving skills are essential.	<b>Open Until Filled</b>
