

Chehalis Tribal Members !

---We Need Your Input

Survey Link: <https://www.chehalistribe.org/tribal-member-survey/>

QUICK SURVEY

The Chehalis Tribe is working with Washington State to identify barriers Tribal members may face when accessing state services like SNAP, TANF, WIC benefits.

Some questions were included in the Annual Meeting survey, but the State now needs more specific information to determine whether the issue is with a process, office, or another part of the system.

Your feedback will help improve access to these services for our community.
