

# IMPORTANT

## >>> URGENT PHARMACY NOTICE <<<

Due to an unusually high volume of prescriptions and a prescription system outage (nationwide).

**Pharmacy will NOT have medications ready  
for pickup until  
Monday, January 12, 2026.**

Patients should not expect same-day or next-day prescription availability prior to this date.

\*\*If you have an urgent medication need, please contact the clinic before arriving so we can help determine the best next steps.\*\*

We sincerely apologize for the inconvenience and appreciate the community's patience and understanding as our pharmacy team works to safely process all prescriptions.
