

EMERGENCY MANAGEMENT

Lunch and Learn-Gathering Room

Thursday, March 19th 11am-1pm

We are inviting our community to come learn about emergency cooking using solar, propane, charcoal, and other ways to cook food and provide heat during power outages.

We will be offering recipes, tips on emergency cooking, samples and more! Come see what we have!

**Presented by the Department of Public Safety
Emergency Management Staff
(360) 709-1770 if any questions**
