NOTICE BURN BAN LIFTED

Chehalis Reservation – Effective 12:00 PM September 29, 2026; Due to the recent rainy and cool weather, the Chehalis Tribal Department of Natural Resources in consultation with the Department of Public Safety have lifted the Burn Ban starting at 12:00 PM today. Outdoor burning within Chehalis Reservation is allowed; however, community members must be careful with any open fires or fireworks.

Fires must be always attended by a responsible person (at least 16-years old) with the ability to extinguish the fire. You should have a shovel and a 5-gallon bucket of water, or a charged water hose readily available. Completely extinguish campfires by pouring water or moist soil in them and stirring with a shovel until all parts are cool to the touch.

We will be monitoring conditions and if the fire risk increases, we will make further announcements.

Please do your part to protect our community from wildfires!
