

Current Job Posting

DEPARTMENT	JOB TITLE	CLOSING DATE
End of the Trail Stores	Person In Charge (P.I.C.) Dependable, customer-focused shift lead to support daily operations and oversee staff in the manager's absence at the End of the Trail stores. Responsibilities include delivering excellent customer service, assisting with sales, operating the POS system, stocking and pricing merchandise, and ensuring a clean and safe store environment. Ideal candidates will have prior retail or convenience store experience, strong communication skills, and the ability to lead by example in a fast-paced setting.	Open Until Filled
End of the Trail Stores	QSR Deli Clerk Prepare fresh food items while maintaining food safety, sanitation, and quality standards in a fast-paced deli environment. Packaging hot case items, stocking and rotating products, setting up and breaking down the deli station, cleaning and sanitizing kitchen equipment and work areas, washing dishes and utensils, disposing of kitchen waste, and other duties as assigned. Have a high school diploma or GED and at least 6 months of experience in a fast food, deli, or similar food service environment. Strong customer service, communication, and basic math skills are required. Able to stand for extended periods, frequently bend, reach, push, and pull, work in hot and cold environments and lift up to 50 pounds.	Open Until Filled
End of the Trail Stores	Store Clerk Support daily retail operations by providing exceptional customer service, operating the POS register, handling transactions accurately, and assisting with stocking and merchandising. Maintaining store cleanliness, adhering to food safety and alcohol/tobacco regulations and following proper shift procedures and policies. A high school diploma or GED is required, along with a food handler's permit. Performing other duties as assigned.	Open Until Filled

Confederated Construction Company	Estimator/Project Manager A strong background in residential, commercial, federal, and public works civil construction projects, serving as both Prime and Subcontractor. Responsible for leading both the preconstruction and project execution phases, including estimating, bidding, planning, scheduling, budgeting, and project delivery. The candidate will prepare accurate cost estimates, perform quantity takeoffs, develop competitive bids, coordinate with subcontractors and suppliers, and manage projects from award through completion. Working closely with the Director of Construction, Project Team, and Field Leadership, this role requires expertise in civil construction methods, cost analysis, project scheduling, contract administration, risk management, and regulatory compliance. Candidates should possess 5–10 years of civil construction experience, including 2–5 years in estimating and/or project management, with experience in public works, infrastructure, utilities, and site development projects. An associate degree is preferred, with a degree in Construction Management, Engineering, or a related field considered a plus.	Open Until Filled
